**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior and dependent on low-cost readily available internet service. The large internet corporations should not be allowed to control internet access, but it should be equally available to everyone. Control of the internet should be democratically shared by all carriers because the airwaves (or maybe it is the ethernet?) belong to all of us.
